RYAN T. LOGAN,             )                           ORDER  
                                )  
Defendant.                 )

This matter is before the court on the Unopposed Motion to Continue Trial [60]. The parties are working to resolve the matter short of trial. Additional time is necessary in order to make further attempts to find a mutually acceptable resolution. For good cause shown,

**IT IS ORDERED** that the Unopposed Motion to Continue Trial [60] is granted, as follows:

1. The jury trial now set for November 14, 2022 is continued to **January 23, 2023**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and January 23, 2023**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).

**DATED: November 1, 2022.**

**BY THE COURT:**

United States Magistrate Judge**
